160 HIGH SCHOOLS **ACROSS** **40 REGIONS**

strengthening grassroots development and deepening youth participation in the sport.

GOVERNMENT SUPPORT

Minister of Youth and Sports, Dito Ariotedjo, expressed his support for fullball at an exhibition match in September 2023.

Efforts are ongoing to formalise fullball's status as an official sport in Indonesia, with plans for structured competitions to support its growth.

Fullball - Indonesia's Innovative Sport

CONCLUSION

Fullball represents a groundbreaking innovation in Indonesia's sports landscape.

This new sport, fueled by the creative energy of Indonesia's youth, has the potential to leave a lasting impact on the global sporting community. Fullball is not only a testament to Indonesia's sports innovation but also a symbol of its contributions to the world of competitive, team-based activities.
